# THE SKINNY™

---

Created with full-body health in mind, The Skinny products are:

- natural
- nurturing
- long-lasting, and
- 100% good for you.

The Skinny is a chemical-free lifestyle brand focused on creating natural skin care products for every need. The Skinny products are created with 5 or fewer ingredients, and have our patented Skinny Coconut Oil® as the base - the only non comedogenic coconut oil on the market.

WHERE THE SKINNY™ PRODUCTS ARE AVAILABLE

AS SEEN IN

## 5 REASONS TO LOVE THE SKINNY™

- 1 All Skinny products are created with Skinny & Co. Coconut Oil, which is filtered with a patented system to create the only coconut oil that won't clog pores or cause breakouts.
- 2 The Skinny products are 100% chemical-free - no preservatives, parabens, sulfates, or other synthetic chemicals are ever used.
- 3 The Skinny products are created with 5 or fewer natural ingredients, and every ingredient is listed for full transparency.
- 4 The Skinny products are hypoallergenic and appropriate for all skin types and the whole family.
- 5 The Skinny products are proudly made in the USA (Indianapolis, IN)

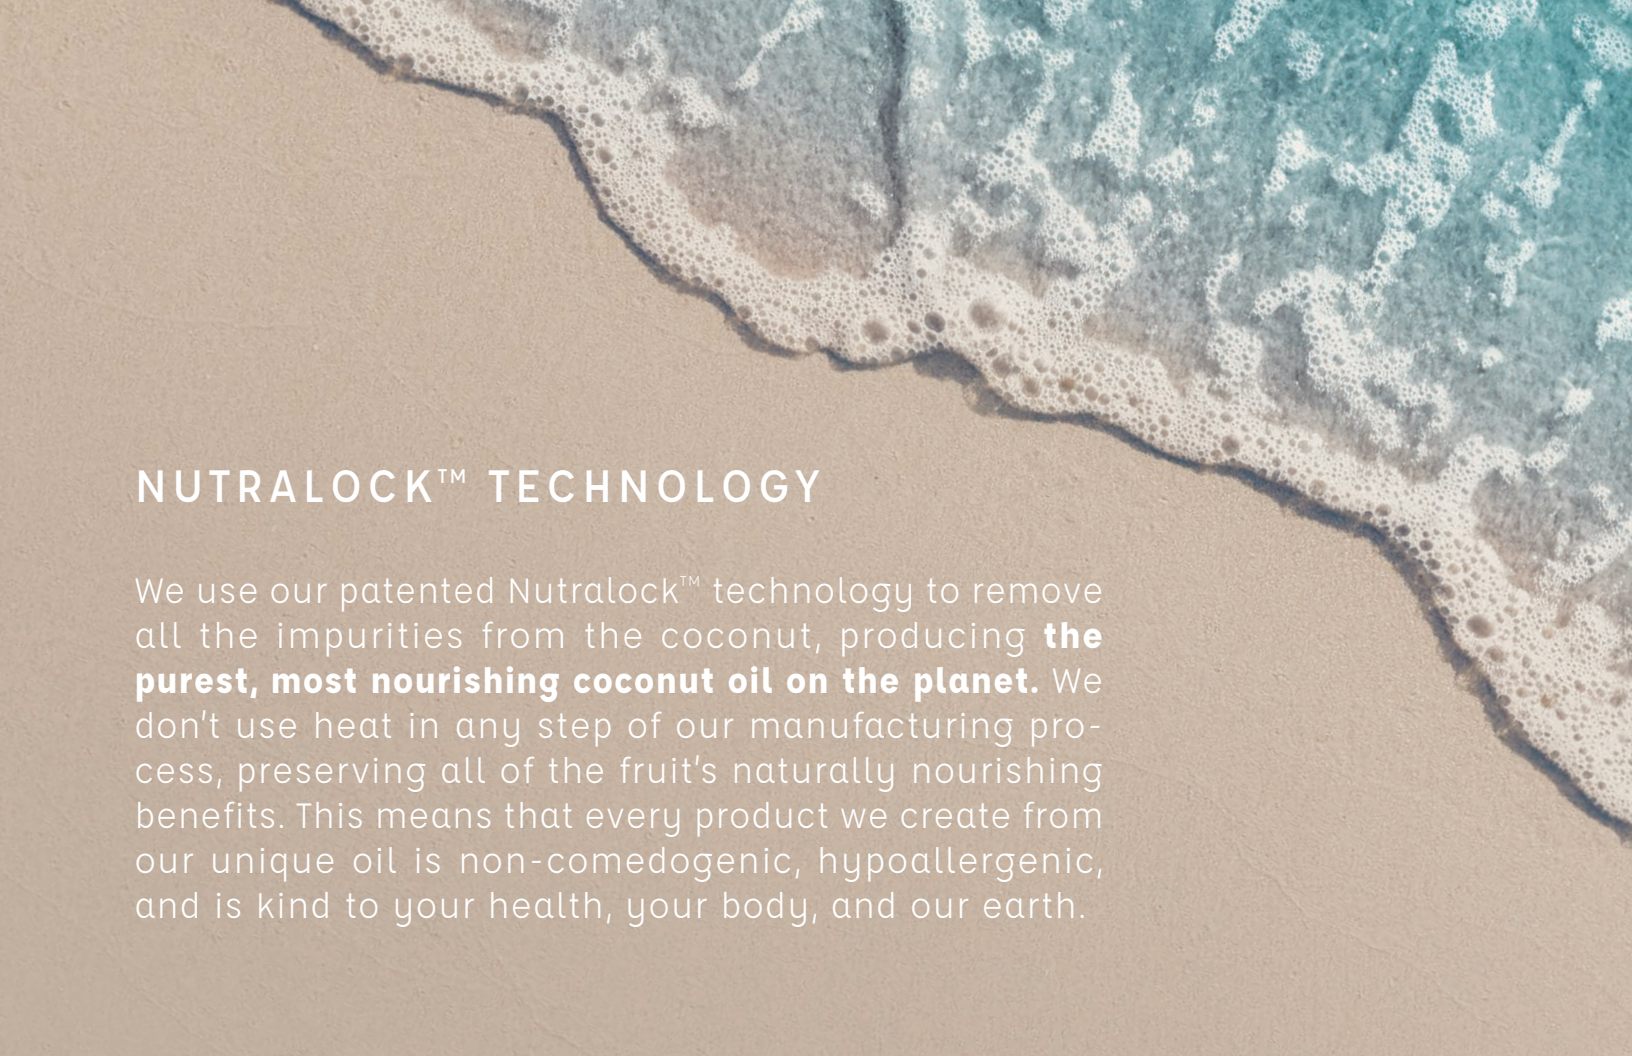

### **Always** the good

- + 100% Natural
- + Nontoxic
- + Non-GMO
- + Hypoallergenic
- + Cruelty-free

### **Never** the bad

- Parabens
- Sulfates
- Phthalates
- Preservatives
- Mineral Oil

## NUTRALOCK™ TECHNOLOGY

We use our patented Nutralock™ technology to remove all the impurities from the coconut, producing **the purest, most nourishing coconut oil on the planet.** We don't use heat in any step of our manufacturing process, preserving all of the fruit's naturally nourishing benefits. This means that every product we create from our unique oil is non-comedogenic, hypoallergenic, and is kind to your health, your body, and our earth.

## *The Skinny on* CLEANSING BALM

Minimize your skin care routine.

Makeup Remover, Facial Cleanser, and  
Moisturizer in one - no water needed!

### *favorite uses:*

**Makeup Remover** - Massage liberally onto eye-lids, then wipe away waterproof mascara and eyeliner

**Cleanser** - Melt into skin to easily wipe away makeup and build-up from the day

**Moisturizer** - Long-Lasting hydration and focused TLC for a dewy, healthy glow

## THREE IN ONE FACE REJUVENATOR

## 5 INGREDIENTS

Skinny Coconut Oil®, and specific Essential Oils targeting specific skin types

## *The Skinny on* **DEODORANT**

Face the day with confidence! Our natural deodorant prevents odor and smells great. No aluminum, parabens or any synthetic chemicals used.

### *favorite uses:*

**Morning** - Apply to underarms at the start of the day to prevent odor and bacteria

**Exercise** - Throw in a duffle bag or purse to use as needed throughout the day

**Travel** - Antibacterial formula is great for minor cuts and scrapes

**Odor** - Apply to feet, or wherever odor is a common problem (Ahem - teenagers!)

## **THE MOST POWERFUL NATURAL DEODORANT**

# 5

## **INGREDIENTS**

Skinny Coconut Oil®, Carnauba Wax, Arrowood Root, Baking Soda, Specific Essential Oils for scent and benefit.

## *The Skinny on* SHAMPOO/BODY BARS

Replace shower bottles with this long-lasting, all-purpose bar! With three blends to choose from, there's one for every preference.

**\*1 bar = 3 bottles!**

### *favorite uses:*

**Shampoo** - Rub the bar directly onto hair, creating a rich lather, rinse as usual

**Soap** - After shampooing, use as a body bar for the rest of your body

**Shave** - Use as a shaving cream and leave your skin silky smooth with no irritation

**Travel** - This TSA-friendly bar is a must-have for travel, taking the place of most toiletries

## HEAD-TO-TOE SHOWER NECESSITY

# 4

## INGREDIENTS

Skinny Coconut Oil®, Saponified Coconut Oil, and specific Essential Oils for distinct scent and benefit

## *The Skinny on* **LIP BALM**

Pocket-sized nourishment for hydration on the go! Use this for immediate moisture, targeting where you need it most.

### *favorite uses:*

**Hydration** - A thin layer supplies deep moisture with immediate relief

**Barrier** - Use as a protective layer on lips before applying lipstick or to protect from the elements

**Lip Scrub** - After applying to lips, wipe away to leave lips feeling soft and healthy

**APPLY AS NEEDED FOR INTENSE HYDRATION**

# 4

### **INGREDIENTS**

Skinny Coconut Oil®, Beeswax, Cocoa Butter, and specific Essential Oils for scent and benefit

## *The Skinny on* **PURE BEAUTY**

The natural solution for all skin and hair issues. This one jar takes the place of your most-used bathroom products, and deeply nourishes your body in the process

### *favorite uses:*

- Natural lubricant for intimacy
- Full-body moisturizer
- Makeup remover/facial cleanser
- Natural SPF 15
- Leave-In Conditioner
- Barrier for injury care
- All-in-one travel essential

### **THE ULTIMATE MULTITASKER**

**1** **INGREDIENT**  
Skinny Coconut Oil®

## *The Skinny on* **PURE BABY**

Pure Baby Coconut Oil is created using only pure, microfiltered coconut oil, giving parents peace about caring for every skin care need.

### *favorite uses:*

**Soothe** - Apply to baby from head to toe to soothe any common skin irritations (cradle cap, diaper rash, baby acne, eczema, etc.)

**Moisturize** - Use after baby's bath to lock in moisture and prevent dryness

**Protect** - Protect baby from the sun with natural SPF 15

**For Mom** - Completely safe to use during pregnancy and when breastfeeding, apply wherever needed for soothing moisture

## SOOTHING CARE FOR BABY & MOM

Skinny Coconut Oil®

# SKINNY PAW

## SHAMPOO BAR

Nourishing virgin coconut oil is the base for this 100% natural, ultra-lathering shampoo bar, giving your pet a healthy, shiny coat without stripping away natural oils.

## BENEFITS

### Long-Lasting

Ultra-rich lather - 1 Bar = 3 bottles!

### Convenient

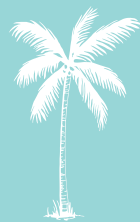

Bar form allows you to keep one hand on your pet.

### Nourishing

Skin and coat with nourishing coconut oil.
